

Silya Kiese

Three-Dimensional Sculpture & Light Art

"She creates energy in her class that is uniquely her own." Talya Stein

"I rediscovered my personal creativity." Suzanne Drapeau

Silya is widely known for her inspiring classes and ability to help students develop individual creativity using a combination of creative writing and mixed media three-dimensional sculpture processes.

Most of the following supplies may be purchased at the League's art supply store, located in the lobby. It is advisable to speak with the instructor before buying supplies.
