

2019 SUMMER COURSE REGISTRATION

June 3 – August 17, 2019

Entrance Requirements

There are no entrance requirements or examinations, and no previous art experience is required. Instructors in some advanced classes may require an interview prior to class admission. If you are applying to a Certificate Program, other entrance requirements apply.

Registration

Registration is by the calendar month throughout the year. Students may start class anytime based on availability. Waitlists are maintained for filled classes.

Part-time Registration

Students may register part-time in most classes not already filled by full-time students. Students may register half-day (am or pm session) for a Saturday class provided the class is not filled by students registered all day. See the main office for more information on part-time registration.

Instruction

League instructors are nationally recognized, professional artists. The instructor is present to critique and discuss artwork twice a week for M–F classes, or as otherwise specified. When the instructor is not present, the class is under the charge of a monitor.

Tuition

The full month's tuition is due before the first of the calendar month for which the student is registering. August tuition is pro-rated based on summer session's end-date.

Grants, Scholarships, Work-Study

Students enrolled in full- and part-time classes may be eligible for work-study scholarships, grants, and merit-based scholarships. Eligibility requirements and a list of available scholarships and grants may be obtained in the League office.

International Students

The League is authorized under federal law to enroll non-immigrant alien students.

Veterans Training

The League is approved to accept students who wish to use their Veterans Education Benefits for classes.

Refunds

Refunds for withdrawing from a class are available only during the first 9 (nine) days of each month. Withdrawing students will receive a refund of 50% of the cost of the class. Refunds will be made on the student's credit card or on their League account.

Casting Room Use and Fee

Clay sculpture students may use the Casting Room only for the session in which they are registered. Students who wish to use the Casting Room during a session in which they are not registered must pay a \$10 fee per session.
